Hi Dennis:

I hope you are well. I've had a communication with Jim Woods earlier this year about the potential for your visit with the CRITFC Commissioners. Would you be available for the July 28-29 Commission meeting in Portland OR? Topics would include Portland Harbor Superfund and Water Quality Standards.

A few time frames are suggested below:

- Thursday July 28, 10 am or 3 pm
- Friday July 29, 9 am or 11 am

I hope you can participate, Dennis. The Commission really appreciates your visits with the tribes.

Paul.
